We can produce information on request in large print, Braille and audio formats. Visit www.wheatleyhomes-south.com or contact your local housing officer.

Get involved

We want tenants to get involved and help shape our services. There are lots of different ways for you to have your say about your community, Wheatley Homes South and the way we work.

We hold community events – including litter picks and pop-up events – throughout the year where you can come along and talk to us.

We also carry out consultations and tenant conferences in our head office which let you have a say in some of the big issues for tenants.

Our Tenants' Satisfaction Survey, which is carried out each year, asks tenants their views on what we are doing right – and how we can get better.

Registered Tenant Organisations

Tenant groups who meet our conditions can become a Registered Tenant Organisation (RTO). RTOs can get direct grant funding to help them with one-off costs. They represent the interests of customers in local areas. They also carry out a range of activities including organising events to improve their neighbourhoods.
